

The Thoughtful Schools Project

SCHOOL CONSENT FORM

- Our school understands the purpose and procedures of the research and we have been given the Project Information Brochure.
- Our school understands that the research itself may not benefit us.
- Our school understands that our involvement is voluntary and that we can withdraw, at any time. This means our involvement in the research would stop immediately without prejudice.
- Our school understands that this research project involves interviewing and collecting quantitative data from consenting members of the school working group.
- Our school understands that a sample of teachers from the school will be invited to be interviewed.
- Our school understands that information regarding the schools trauma-informed environment and needs will be provided via the school working group.
- Our school understands that all identifiable information provided is treated as confidential and will not be released by the research team in any form that may identify participants.
- Our school gives permission for our research data to be included in a summary and published in reports and/or in academic journals, providing that neither the school or staff are identified.
- Our school has been given the opportunity to ask questions.

I CONSENT for [Insert School Name] to participate in the Thoughtful Schools Project
